

# Two Key Games Slated In Bay League Tonight

## Micohi Plays North

By HENRY BURKE  
Press-Herald Sports Editor

The Mustangs of Mira Costa High School are beginning to look like the powerhouse they were said to be prior to that opening 7-0 loss to Bishop Montgomery.

Since then Coach Bill Cooper's varsity unleashed a 32-12 win over Culver City and 26-0 over Redondo.

The Mustangs are particularly pleased that the Redondo victory is safely tucked away. There's no telling what would have happened to Mira Costa in this game had it been scheduled at a more crucial and pressure time during the season.

Redondo played it a little stubborn, as it turned out, until the fourth quarter, when Micohi ran the score from 13-0 to 26-0.

Mira Costa, one of the three schools with a serious threat to win the Bay League championship, travels to North High tonight. The Saxons can expect more of the Pat Moore-to-Johnny Sain passing game that threatened their Bay League drive a year ago.

North's big line finally wore out Mira Costa in the fourth quarter for the victory and the title.

North started out this season with a very sluggish 38-0 loss to Morningside and a 14-14 tie with Torrance. But Coach Ed Levy got his Saxons high enough last Friday to pull off an amazing 14-0 shutout of Inglewood.

Now, Mira Costa, which seemed in such good shape after whipping Redondo, is rather puzzled how Rick Estrada and the boys will react to their visitation tonight.

ANOTHER team that should get its share of scares tonight is West High (3-0), which entertains Hawthorne. Hawthorne lost only by a 14-7 score to favored Santa Monica last week.

West High, meanwhile, spanked South, 31-7, but the Warriors have not business getting cocky about it. There was nothing to brag about with the West offense in the game except that Dean Owens ran 55 for a dandy touchdown and Gary Hulsey has ambitions of being a good football player.

Quarterback Coy Hall played the whole game, but his passing was nothing to worry Hawthorne.

The problem with South last week was the matter of "getting too high" for a game. This caused the Spartans to make a lot of early mistakes, one coach said.

The Spartans' defense is capable of being stingy, and when the running backs get their timing down pat, they are liable to surprise somebody during the Bay League season.

For the time being, South battles Inglewood to stay out of the cellar. But somebody has to keep company with Redondo down there. The Seahawks face Santa Monica this evening.

## Footballers To Benefit

The first annual dance for the Torrance Junior All American Football Association will be held Saturday at the Eagles Hill in Redondo Beach. It will be

called the "Harvest Dance" and costumes are urged. There are prizes for the best costumes. Hours are 9:30 p.m. to 1:30 a.m. Music will be provided by The Majestics.

The Torrance Junior All American Football provides its players with the best and most up-to-date equipment available. The cost is high but protection of the players is one of the utmost aims of the League, it is pointed out.

Mrs. Ruth Kadoich is auxiliary president.

VETERAN FULLBACK . . . Playing his third year with the Bishop Montgomery High varsity football team is fullback Ed Hansen. Hansen will be in the lineup against Fermin Lasuen tonight at San Pedro. The teams are Camino Real League rivals. (Press-Herald Photo)

## Knights Engage Fermin Lasuen

Instead of playing three or four non-league football games this year, the schools in the Camino Real League were increased from six to eight members this year.

The league campaign got under way last Friday with the start of an exciting seven-week schedule and thrillers are expected each weekend.

In festive fashion, one of the big attractions is tonight's annual meeting between Bishop Montgomery and Fermin Lasuen. It will be at Daniel Field in San Pedro.

Lasuen has not beaten the Knights in three years, but like the past games, a fierce battle is expected between the two rivals.

The Padres spent the week ironing out kinks in their defense while brushing up on the backfield speed of Mike Foley and Vince Marinovich.

After spending the week getting ready for the game, Coach George Swade of Montgomery announced he will start his regular offense against Lasuen. Brad Kerwin and Greg Reams are the ends, Dave Tocco and Dan Miller the tackles, Don Satterlee and John Thompson the guards, and George Dumphy, center. The backs are Greg Collins, Ed Hansen, Jim Agnew and Rich Kubota.

Crespi, beaten by Montgomery last week, 14-7 takes on Murphy, and St. Monica's is at Serra. Mt. Carmel and St. Bernard's, both contenders, battle Saturday night.

In a non-league game Torrance High goes to Aviation High to face the winless Falcons.

Torrance lost to Redondo, 7-0; tied North, 14-14, and upset Lawndale, 32-14, in three games.

## FOR PARNELLI USAC Lifts Suspension

The United States Auto Club Wednesday lifted Parnelli Jones' two-week suspension and restored him to full membership.

The move left Jones, 1963 winner of the Indianapolis 500, free to enter his turbine-powered machine in Sunday's inaugural 250-mile big car race at the Michigan International Speedway near Detroit.

In lifting the suspension Henry Banks, USAC director of competition, announced that Jones was fined \$250.

Jones was suspended in Los Angeles following an argument with Banks over the outcome of a stock car race at Springfield, Ill., in which Norm Nelson was declared the winner.

Jones had protested the finish and race stewards then gave the victory to him. USAC reversed the stewards' decision following a hearing, and Jones was slapped with the suspension when he argued with Banks.

Banks said Wednesday that Jones apologized at a recent meeting.

"We had a very informa-

tive discussion and I believe resolved several differences of opinion," Banks said. "I am happy Parnelli is reinstated to full membership."

## Pepperdine Basketball Drills Set

Gary Colson's first Pepperdine College basketball team will open pre-season drills Tuesday.

Colson, who succeeds Robert L. "Duck" Dowell as head coach, will welcome three lettermen, five junior college transfers and two outstanding candidates up from last year's freshman squad the first day of practice.

Back from last season's 9-17 team are Tom Egerer, a 6-4 forward, Ernie Carr, 6-1, and Steve Antrim, a 5-9 guard. Only Egerer, who averaged 14.6 points per game, was a starter.

Among the newcomers recruited by Colson will be Bobby Sands, the most valuable player in last year's National Junior College tournament. Sands, a 6-3 guard, averaged 24.2 points per game last year.

Other transfers joining Sands are Brian Berger, a 6-6 forward-center from Long Beach City College, Jacob Davis, a 6-6 forward from Riverside City College and Chris Wey, a 6-3 guard from Chipola Junior College in Florida.

## Boilermakers Triumph, 60-0 In Football

Scoring a 60-0 win over the San Pedro Minnows, the Torrance Boilermakers remain unbeaten in All-American Football competition.

Other Torrance teams to win last week were the Oilers over the Carson Rebels, 31-0, the Chargers over the Lomita Eagles, 35-7, and the Little Bulls over the Lawndale Bucs, 19-0.

Losers were: Rolling Hills Broncos 69, Steelers 14, Hawthorne Stingers 32, Knights 0, Lomita Falcons 24, Vikings 19, Palos Verdes Squares 12, Cougars 7, Hawthorne Cowboys 19, Bruins 12, Palos Verdes Cavaliers 12, Huskies 0.

CHAMPAGNE CHRISTENING . . . When John Disario went aboard the 35-foot power boat Chris Craft Constellation that he and Charles Brennen purchased, Disario was greeted by George Swerfager who presented him with a bottle of champagne to do the honors. Disario and Brennen are Torrance city employees. The boat is docked at King Harbor.

## Warriors Set New Records

The North High cross-country course record was trimmed by 43 seconds by West's Ron Johnson (9:05) yesterday and for the first time six runners from West finished the race under 10 minutes.

The West Warriors won all divisions, including the varsity, 22-39.

Varsity — Ron Johnson (W), 9:05; Jim Oliver (N), 9:23; Rick Tussing (W), 9:35; Jo Hansen (N), 9:38; Steve Smith (W), 9:42; Jim Everett (W), 9:44; Geoff Gradwell (W), 9:49; Dan Herman (W), 9:54; Bob Cooper (W), 10:00; Wes 22, North 39, and Bankson (N), 10:05; score: JV — Fraser (W), 9:56; score: West 15, North 50.

## Unpredictable Prep Football

If the first weekend of upsets in prep football is any indication, it's going to be a wild year for sports in the Southland.

Seven-and eight-team leagues got into action last week and several teams are standing in the wings rather befuddled after opening games.

In the Freeway League, four teams are still not sure where they stand in the race as they were involved in two tie games.

La Habra gained its tie the hard way. After struggling with Kennedy for nearly two full quarters, Trino Reynoso got the Highlanders on the scoreboard with a near-record field goal of 40 yards. The Irish came back with a touchdown but failed in the PAT attempt and Reynoso booted his second three-pointer of the evening, a 30-yarder, to gain the deadlock.

On the other side of the ledger, Savanna and Lowell staged a Freeway League aerial circus as Lowell quarterback Norm Kepner completed 8 of 30 passes, to counteract reserve Rebel quarterback Jim Martinez' exploits.

Martinez, stepping in for highly-touted Andy Bielanski, clicked on 22 of 36 aeriels for 356 yards and three touchdowns to lead Savana to a 26-20 victory.

Over in the Ivy League, Moreno Valley's Brad Moore staged his own fireworks exhibit, hitting on 18 of 51 passes in a losing effort to league champ Corona, 40-25.

The Ivy League also holds claim to one of the biggest football players in California, a player who is second only to Bob (Big Man) Pointer on the all-time CIF, SS, size roster.

Roy Autry, a 5-11 defensive tackle at Norco, tips the scale at 431 pounds, just a bit smaller than Pointer, who weighed 447 at Santa Barbara High last season.

Autry plays only on defense for the Cougars, who are 0-3 on the season. He's a junior, and area football buffs are wondering if he will grow much more before his senior season.

Perhaps most typical of the "wild weekend" was Western of Anaheim's fate in its Sunset League opener against Santa Ana Valley.

Leading, 21-7, with less than five minutes remaining in the game, the Pioneers looked as if they were on their way to their first win of the season.

However, a 71-yard run which set up a touchdown, and scoring jaunts of 62 and 95 yards, the latter coming with just three seconds on the clock, spelled doom for Western as it bowed to Valley, 27-21.

Ah, prep football, isn't it great?

## Tough Sledding for UCLA

One of the country's top-ranking football teams, Penn State's undefeated Nittany Lions, come into the Los Angeles Coliseum Saturday at 1:30 p.m. to battle UCLA's Bruins.

The Bruins, who fell out of the unbeaten ranks with a muddy 20-7 thud to Syracuse last week, will be underdogs to the potent Eastern visitors, a team that has impressed both offensively and defensively in sweeping to victories over Navy (31-6), Kansas State (25-9) and West Virginia (31-20).

With three games played and seven to go, UCLA faces a mighty tough road ahead. Besides Penn State four of the Bruins' other opponents are currently riding high with undefeated records, including California (3-0), Stanford (3-0), Tennessee (2-0-1) and USC (3-0).

The other two upcoming foes, Oregon State (2-1) and Washington (1-1-1), are tough, too. The Beavers, especially, are bouncing back strong after their opening 21-20 heartbreaker to Iowa and, definitely, are a strong contender for Pacific honors.

Without the services of star quarterback Bill Bolden, the Bruin offense has been sputtering and inconsistent the past two games and must obviously improve if it is to move the ball against Penn State, a team which has held opponents to a mere rushing average of only 33 yards a game. In passing defense, the Nittany Lions have allowed an average of 183 yards a game.

Heading the Penn State defenders are linebacker Dennis Konkotz, who has already intercepted four passes, and tackles Mike Reid (6-3, 235) and Steve Smeat (6-1 218).
